

I just wanted to let you know how much I enjoyed watching my daughter work on her research project this weekend. I was shocked by how much she was able to do by herself! Other than drawing straight lines for her to write the sentences and helping her with the /sh/ in the word fish; she did it all on her own.

A good student equals an even better teacher! You are amazing and I cannot thank you enough for all you do!!!

Thank You,
RLA Parent

PS..she even took out her sight words to help spell :)
