## Academics

Camper Name (last/first) \_\_\_\_\_

*(Complete one form per camper, matching Camper # at the bottom of this page with # on Registration Form.)*

### XLR8 Academics is for . . .

- Students of families who want their student to remain active in learning over the summer.
- Students new to RLA that need extra help to achieve grade level expectations.
- Students who have struggled and want to boost their performance.
- Students who want to get ahead in their learning.
- Students entering grades 3 through 5.

Will the student be attending XLR8 summer day camp?  Yes  No

Are there any specific content areas that you want your student to focus on?

---

---

---

---

- A mandatory orientation for the student and parent is held before the session begins.
- The program is an 8 week program that will function over 9 weeks (June 3-August 2) during the summer. If a family is gone on vacation, they can take a week off and pick up again when they return.
- Students that aren't able to participate in 8 weeks can do a shortened program at a prorated cost.

### Check the weeks in which your child will participate:

- June 3-7
- June 10-14
- June 17-21
- June 24-28
- July 1-5
- July 8-12
- July 15-19
- July 22-26
- July 29-August 2

The cost for entire 8 week program is \$280.

If your child cannot participate in all 8 weeks, please contact Mr. Wudtke 815-226-4947 to discuss options and cost.

AREA stands for Advancement, Remediation, Enrichment and Assimilation.

**EDGE is the Advancement Program.** A program to advance your skills so that you can jump forward in your classes at RLS. With available math classes, EDGE prepares students for work in pre-algebra, algebra and geometry. With available English classes, EDGE strengthens student’s language arts skills so that they can make this transition.

**BOOST is the Remediation program.** A program to provide remediation in math and English so that you can stay on track. BOOST strengthens your skills and prepares you to tackle new curriculum. This support program focuses on reading skills, computation skills, and problem-solving

**PLUS + is the Enrichment program.** A program to provide enrichment opportunities to learn about a variety of topics. These one-week “classes” provide tons of hands-on learning experiences designed to peak interest and encourage creativity.

**FUSE is the Assimilation program.** A program to help new students assimilate into life at Rockford Lutheran and to help students reach grade level skills in math and language arts. FUSE straightens the learning curve for new RLS students, improves reading, computation and problem-solving skills and uses academic best practices to help students reach grade level skills.

**Classes:**

**MY CHILD WILL BE ATTENDING XLR8 TO HIGH SCHOOL. AREA PROGRAMS ARE INCLUDED AT NO ADDITIONAL COST.**
