

Summer Boost Program
Emphasis on: Math and Language Arts

Want a summer program that can help improve your child's academic skills in math and language arts?

Then here is a program you have been looking for!

The **BOOST** program is designed for students who are working at or below grade level. The goal of this program is to improve and increase students' academic ability. The math and language arts program focuses on strengthening skills and understandings that are needed to be successful across the curriculum. Students will be given a pretest and posttest in order to measure growth throughout the program.

This 4-week summer program meets
Face-to-Face: June 7 - July 2, 2021
8-11:30am, Monday-Friday

Cost: \$300

*possible funding available for current Rockford Lutheran students that live in the boundaries of the RPS 205 school district.

If you have any questions about this program, please feel free to contact Amanda Norman at 815-877-9551 ext. 234 or anorman@rockfordlutheran.org.

Please fill out the registration form and return to the school by **June 1st**.
